

Alices Adventures in Wonderland-Life Time Classic for Children Illustrated Version (Chinese Edition)

Alices Adventures in Wonderland is an 1865 novel written by English author Lewis Carroll. It tells of a girl named Alice who falls down a rabbit hole into a fantasy world populated by peculiar, anthropomorphic creatures. The tale plays with logic, giving the story lasting popularity with adults as well as children. It is considered to be one of the best examples of the literary nonsense genre, and its narrative course and structure have been enormously influential, especially in the fantasy genre.
