

Ricoeur (English and French Edition)

Une anthologie de cinquante-deux textes qui rend compte de la structure interne, des constantes et des évolutions d'une œuvre qui s'est étendue sur près d'un demi-siècle. Trois orientations majeures de la philosophie de Ricoeur ont été retenues : le langage et le monde (interprétation, herméneutique, la fonction de la métaphore...) ; le sujet du récit (histoire, fiction et vérité, le récit biblique, l'identité narrative...) ; l'action et l'institution (le sujet capable, le scandale du mal, la place du juste...).
