

## Wasteland: The Whore

Her quest for freedom plunges her into dangerous waters of desire. Wasteland, Book 3 Bryn is a Rose, but her life is no garden. A stolen child, prostitution is the only life she's ever known except on the nights she sneaks out in stolen mens clothing to explore the city. A tiny taste of freedom that makes her long for a life outside sexual servitude, at the mercy of any man who can pay. Xander remembers no other home except his pirate ship, smuggling weapons or anything else for a fee. He's been happy with his life and his lover, Hawke until he rescues who he thinks is a young man from robbers. Figuring she can blend in with the crew, Bryn jumps at the chance to escape the Brothel. Then she discovers Xander and Hawke have a taste for pretty boys and that she has a taste for them. In their arms, she embraces their incredible gift: control of her own sexuality. Though women are considered bad luck at sea, Xander isn't of a mind to give her up. Yet the time is drawing near when the ship must return to Wasteland to resupply. And what awaits them there is a danger that could tear them apart. Warning: Contains hot pirates, bad boys, pretty boys, lots of three-way pirate sex, a woman spanking a pirate with a rare-wood paddle, a glass dildo used on a pirate have we mentioned the pirates?
