

## Aliens in the Prime of Their Lives: Stories

Finalist for the 2011 PEN/Faulkner Award for Fiction: Watson's talent is singular, truly awesome; [his stories] are infused with an uncanny beauty. A. M. Homes In this, his first collection of stories since his celebrated, award-winning *Last Days of the Dog-Men*, Brad Watson takes us even deeper into the riotous, appalling, and mournful oddity of human beings. In prose so perfectly pitched as to suggest some celestial harmony, he writes about every kind of domestic discord: unruly or distant children, alienated spouses, domestic abuse, loneliness, death, divorce. In his masterful title novella, a freshly married teenaged couple are visited by an unusual pair of inmates from a nearby insane asylum and find out exactly how mismatched they really are. With exquisite tenderness, Watson relates the brutality of both nature and human nature. There's no question about it. Brad Watson writes so well with such an all-seeing, six-dimensional view of human hopes, inadequacies, and rare grace that he must be an extraterrestrial.

Plastic Surgery of America Worlds top plastic surgeons Plastic Surgery of America Worlds Largest Global Plastic Surgeons Network 50 States - 110 Countries over 5,000 Board Certified Plastic Surgeons Home Locate Surgeon For Surgeons Featured Surgeon Certification Procedures Advertising Contact Us Plastic Surgery of America FEATURED SURGERY CENTER The CENTER for Advanced Facial Plastic Surgery in Los Angeles (Beverly Hills) is the leading center for facial plastic surgery which provides dramatic yet natural looking results.
