

Despicable People

Its Friday night, and Derek Collins has a slight problem, hes all out of weed. Thats right the herb, the Ganja, Mary Jane, or good old fashioned grass. With his normal guy out of town, Derek will have to do the unthinkable: try to score on his own. What starts as simple lead to scoring spirals into an evening of debauchery, violence and so many WTF moments we couldnt even keep count (but honestly we didnt try). Derek will have to avoid the clutches of the sex-starved four hundred pound stripper. Assist a street Anthropologist with tagging and releasing Hipsters back into the wild. Its going to be a very long night as every turn brings him more and more trouble. From a cult with a fiendish surprise in their pants, to a deranged drag queens floor show. And even a kangaroo court where grammar is on trial, and punishable by death! All Derek wanted was an eighth, all he got were Despicable People.
