

## Farther Afield (The Fairacre Series #11)

Open the gate to Fairacre, Americas favorite English village. The end of a school year often brings unmitigated rapture for schoolteachers, and so it should for Miss Read, schoolmistress in the charming English village of Fairacre. But on the very first day of the long summer holiday, she falls and breaks her arm. Just when her summer seems ruined, her old friend, Amy Garfield, comes to her aid with a diverting suggestion. They travel to Crete for two weeks, and the change of scene provides a welcome break for both of them. When Miss Read returns, refreshed, to her beloved village, she is ready to tackle the problems that await her.
