

Death On The River Walk

Carolyn Hart is one of Americas best-loved mystery writers-a multiple award-winning architect of ingenious puzzles set in atmospheric locales, featuring men and women both intriguingly complex and achingly human. And no character is more complex or human than sixty-something sleuth Henrie O, whose decades of newspapering have taught her that every fact is suspect, but goodness can still be celebrated. A frantic phone call from an old and dear friend on the other side of the world sends Henrie O to the fabled city of San Antonio, Texas, in search of her friends devoted granddaughter, Iris Chavez. Iris had been working on San Antonios famous River Walk at the family-owned Tesoros Gallery, a shop renowned for its unquestioned integrity, excellence, and the priceless treasures it hunts for its rich and famous patrons. Iris has disappeared without a word and hasnt been heard from since. Her humble apartment has been ransacked, yet nothing is missing. And nobody at Tesoros seems to care. Hidden amid the exquisite objects in the gallery and among the many family members who run the business is a secret-a secret Henrie O must uncover if she is to find Iris. Interviews with the charming matriarch, Maria Elena Garza, who created the business decades earlier, and with her children and grandchildren reveal nothing. But Henrie O suspects that Rick, who is rumored to have been Iriss boyfriend, knows far more than he is willing to reveal. When an unsigned note summons Henrie O to the River Walk, she is stunned by what she finds. An ominous threat, followed by a horrifying murder, convinces her Iris is in terrible danger. Disgrace lies in wait for an old and respected business...and death waits for anyone who gets in the way.
