

## Love, a Rather Bad Idea

In September, the month where IIT-ians do distinctly non-IITian things, Samar was having the time of his life. With Rock shows, JAM sessions, debates and politics, his life resembled a colourful graffiti. Adding chaos to this randomness were his three partners-in-crime, Pranav, Skimpy and Jiya. Together they made sure that life was impossibly wild and barely legal. Things hit a crescendo when Samar found himself as the frontrunner in the race for the head of the student body at IIT. And that is when the tide began to turn, in a way Samar could have never imagined. A causal ambition threatened to come true, and threw at Samar dilemmas that would stump any IITian with a pair of glasses. Dilemmas which required skills not taught in any classroom, including the secret art of disaster management.
