

## The Key to the Meadow: Patrice de Chauncy

A rusty key, a stone wall, a meadow and sometimes a male figure in the background. These are parts of recurring dreams Paula Chadwick has had for much of her life. Paula falls in love in high school and becomes engaged only to have her heart broken when her fiancé marries someone else. She goes on with life, finds love again and marries but her husband disappears when she becomes pregnant. This is the poignant story of a woman who lives her life searching for love and finding it in an unexpected place from her dreams.
