

## Triple Threat

Just weeks before Independence Day, the president is targeted for assassination by a powerful business cartel that is making final plans to rip off the American dream. Only two people stand between a national disaster and a glorious celebration and time is running out. A treasured Betsy Ross flag is missing, and FBI special agent Nate Murtaugh has just ten days to find it. His search takes him to the Philadelphia art world and Ellie Littlefield. Daughter of a notorious art forger, she is a savvy dealer of American antiques. Ellie has connections in the art underworld and Murtaugh will go to any lengths to get her to help him. As the countdown to the Fourth of July ticks away, Ellie and Nate must navigate a world where truth and lies are hard to separate, where murder is just a way of doing business and where corporate power brokers refuse to let anyone even the U.S. president stand in the way of big business.
