

Spiders Big Catch: More Tales From The Heartland

Just as he did in his first book, *Spiders Night on the Boom*, Gary Anderson takes aim at the both the heart strings and the funny bone in this new collection of stories from one of the Midwests premiere humorists. With his latest batch of stories, Anderson turns his unique blend of humor and poignancy to subjects as diverse as the importance of keeping promises to children, the incredible Dont Boil Over diet, the intricacies of Quantum Fishing, and how to get free if you ever find yourself hanging upside down by a boot heel from the top of an eight-foot chain link fence. The laughter and tears will flow as Anderson gently guides you through these forty tales of the silly and sublime.
