

## The armor of light: An anthology of Christian short fiction (Mandate Series)

Trade paperback. From rear cover: What happens when Christians try to let the stories reflect their Christian faith? Many different kinds of stories appear, as is evident by the selections of Christian fiction included in this volume. Some stories, in one way or another, show a world in need of Christ the Savior. Others point more explicitly to people who found Christ as the answer to life's problems and riddles. You will find stories by well-known Christian writers and stories by lesser known Christian writers. But each, without being intrusive, reveals a faith both strong and true.
