

The Critical Review, Vol. 16: Or, Annals of Literature (Classic Reprint)

Excerpt from The Critical Review, Vol. 16: Or, Annals of Literature
IN his preface to this very curious, and in many respects very interesting work, Mr. Southey has given his readers ample information respecting the sources from which he has derived his materials for it since it is not, as the title would seem to import, the translation of one entire piece of Spanish history. It must be an object of great import. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
