

The Presidents Man

It was a great team from the start. Simon Faircliff: candidate for the U.S. Senate, the liberals darling, with the charisma of a great leader. And Frank Austen: young, sharp, ruthless; in search of a job and a cause. It took them eight years to get Faircliff the White House, and Austen the directorship of the C.I.A. and Faircliff's only daughter for his wife. For Austen it was eight years orchestrating campaigns and clearing the way for the man he had come to love and deeply respect. Only then, when he thought they had captured the world, did Austen have the time to sit back and listen to the nagging inner voice telling him that something, somewhere, was profoundly wrong. A chance encounter with an old man, imprisoned so long he had come to be known as the Political Prisoner Emeritus, sets Austen off to piece together a puzzle so sinister, so terrifying in its implications, that its only resolution is treason. An espionage novel of the highest caliber, *The Presidents Man* is also a brilliantly crafted psychological novel, reminiscent of *All the Kings Men* and *Advise and Consent* in its portrait of political life.

Plastic Surgery of America Worlds top plastic surgeons Plastic Surgery of America Worlds Largest Global Plastic Surgeons Network 50 States - 110 Countries over 5,000 Board Certified Plastic Surgeons Home Locate Surgeon For Surgeons Featured Surgeon Certification Procedures Advertising Contact Us Plastic Surgery of America FEATURED SURGERY CENTER The CENTER for Advanced Facial Plastic Surgery in Los Angeles (Beverly Hills) is the leading center for facial plastic surgery which provides dramatic yet natural looking results.
