

The Zebub and the Bellydo

Frank Moses meets and beats Death on a lonely highway in Arizona. Augie Dankler helps embezzle millions from a bank and escapes to a parallel dimension. But can anyone really outwit The Grim Reaper and bank robbers aren't the only ones who can create holes in space and time. Getting away turns out to be much more complicated than either Frank or Augie had anticipated, and they find themselves in a whirling maelstrom of events spinning out of their control and vectoring them both toward a common destiny. The only question is whether they are spinning upward or spinning downward.
